

E-mail for Sandbox training

Excitingly, our next monthly Sandbox training will be held on Wednesday (December 8th, 2021)

To note,

1. you will **need to have Sandbox access** in order to participate in these training sessions.
2. gone through your data security exam (which can be accessed once you log in to sandbox.finnngen.fi)

Details for our training is as follows

Date: December 8th, 2021

Time: 9:00 AM (EST) / 4:00 PM (HEL)

Zoom details:

Link: <https://broadinstitute.zoom.us/j/92355700195?pwd=SGlTeU0zd2daN3pXbGlEUzA2YnYydz09>

Meeting ID: 92355700195

passcode: 373592

This session is an hour long session open to all users of all levels: beginners to learn the basics of the sandbox environment or advanced users to get a refresher on the sandbox environment.

- What will we be covering in this upcoming session?
- What is the Sandbox environment and why do we use it?
- What is the sandbox computational infrastructure?
- What's the cost of running the sandbox?
- How do you log into the sandbox?
- What types of data can you access in the sandbox?
- What's the file structure like in the sandbox?
- Can you access library buckets in the sandbox and how?
- What are the green vs red buckets?
- How do you upload, download, and share data to the sandbox?

If you have further questions, please let Kumar
Veerapen (veerapen@broadinstitute.org) or Mervi Aavikko (mervi.aavikko@helsinki.fi)
know.

Thank you!
